Events, sessions and lunch orders — booked, tracked and certified in one place.

A full professional-learning and event booking system on the same platform your staff already use. They browse and book into sessions, order lunch, check in by QR code on the day, and receive an automated attendance certificate — no separate booking tool, no manual sign-in sheets.

KEY FEATURES

- ✓ **Event & session booking** — staff browse and book into scheduled sessions from one portal
- ✓ **Lunch ordering** — catering requirements collected with the booking, with a caterer rollup report
- ✓ **QR code attendance** — check-in on the day is scan-and-go, no manual sign-in sheets
- ✓ **Automated certificates** — generated and emailed per attendee once a session is marked complete
- ✓ **Capacity & waitlists** — sessions cap out automatically, keeping numbers accurate for the caterer and venue
- ✓ **Compliance reporting** — attendance and booking data exportable for professional development hour records
